Trusting in God – a way of life

In whom do we place all our trust? There are many pills in society to slog for wealth, fame, name, power, position, pleasure and so on. The vital link to differentiate between those who trust in God and those who don't, is the blessing of bountiful joy. While the former consider trusting in God's providence as a grace-flowing moment, the latter crave for power, pleasure and prestige and desert themselves from that joy.

Trusting in God brings the promise of a 'tomorrow', an all-new-sphere of blessings and guarantees a total surrender to God who alone can fill and fulfill. The quest for a temporal relief from the sufferings, be it physical, emotional or even spiritual, persuades one to have access to the mundane means, which evidently don't last long. On the contrary, the thirst for the stream of divine blessings does guarantee one a permanent relief from anything that causes worry and torment.

While the Psalmist praises, "Happy the one who has placed his trust in the Lord!", St. Augustine poignantly wrote: "Trust the past to God's mercy, the present to God's love, and the future to God's providence". Hope is not only a virtue, but a way of life, too. Would that all of us become the beacons of hope!

Confiar en Dios - El Modo de vida

¿En quién ponemos toda nuestra confianza? Hay muchas píldoras en la sociedad para pedir riqueza, fama, nombre, poder, posición, placer y así sucesivamente. El enlace vital para diferenciar entre los que confían en Dios y los que no lo hacen, es la bendición de la alegría abundante. Mientras que consideramos que confiar en la providencia de Dios como un momento de gracia, el segundo anhela poder, placer y prestigio y abandona esa alegría.

Confiar en Dios trae la promesa de un "mañana", una nueva esfera de bendiciones y garantiza una entrega total a Dios que solo puede llenar y cumplir. La búsqueda de un alivio temporal de los sufrimientos, ya sea físico, emocional o incluso espiritual, persuade. uno para tener acceso a los medios mundanos, que evidentemente no duran mucho. Por el contrario, la sed de la corriente de bendiciones divinas garantiza un alivio permanente de cualquier cosa que cause preocupación y tormento.

Mientras el salmista elogia: "¡Feliz el que ha depositado su confianza en el Señor!", San. Agustín escribió conmovedoramente: "Confíe el pasado a la misericordia de Dios, el presente al amor de Dios, y el futuro a la providencia de Dios ". La esperanza no es solo una virtud, sino también una forma de vida. ¡Que todos nosotros nos convirtamos en los faros de la esperanza!
