Action-Packed Love

Following the profession of faith by Thomas, one of his companions, Peter, evidently the leader of the group comes out with his own contribution of a faith statement by committing to love Jesus, not once, but three times. Jesus reiterates the truth that the criterion for leadership is not our abilities, talents and knowledge but just the faithful love in Him and diligent and desirous heart to serve others.

Presenting Himself as the perfect and the unprecedented model who came to serve and not to be served, Jesus, the risen Lord, trained his future emissaries for taking the kingdom values to the ends of the world, to inculcate this noble attitude and set themselves as good examples of service.

In the words of Mother St. Teresa, "We don't have to be successful but ought to be fruitful and useful to others". Our mission is fruitful only when it is founded upon love. The risen Lord obviously commissions us for a universal mission and to form a community characterized by unity and love in spite of diversity.

Fr. Amal

Amor-Lleno de Acción

Siguiendo la profesión de fe de Tomás, uno de sus compañeros, Pedro, evidentemente el líder del grupo sale con su propia contribución de una declaración de fe al comprometerse a amar a Jesús, no una, sino tres veces. Jesús reitera la verdad de que el criterio de liderazgo no son nuestras habilidades, talentos y conocimientos, sino solo el amor fiel en Él y el corazón diligente y deseoso de servir a los demás.

Presentándose a sí mismo como el modelo perfecto y sin precedentes que vino para servir y no para ser servido, Jesús, el Señor resucitado, entrenó a sus futuros emisarios para llevar los valores del reino a los confines del mundo, para inculcar esta noble actitud y establecerse como Buenos ejemplos de servicio.

En palabras de la Madre Santa Teresa, "No tenemos que tener éxito, sino que debemos ser fructíferos y útiles para los demás". Nuestra misión es fructífera solo cuando se basa en el amor. El Señor resucitado obviamente nos comisiona para una misión universal y para formar una comunidad caracterizada por la unidad y el amor a pesar de la diversidad.

Maintenance Matters

A big THANK YOU to Jim Munly, Art Atchison, John & Anita Bender, and Marcus Orta for helping to remove the last remaining items from high school building before demolition begins. That demolition should be underway as you read this.

Don't you just hate to return empty pop cans and water bottles to the store, well you don't have to anymore. Just drop them off on Wed. or Thurs. between 9:00 A.M. and 3:00 PM inside the Administration Building by the door. Marcos Orta will return them and donate the money to the maintenance fund. All we ask is as much as possible for you to separate cans from bottles and place them in a plastic garbage bag. Just think about it, no more standing at the bottle return waiting for machines to take your bottles. Yippee!!!

The old leaky Chimney on the north side of the Administration building came down this last Thursday. It is necessary to remove this chimney so we can paint the outside of building.

The chimney removal, the painting of the building, repaving parking lot and roofing slanted roof on North side of building are the last four items that were budgeted for this building. The Building Committee said when the decision was made to keep and renovate this building that they wanted it to be nice. When these last items are completed, we will have a VERY, VERY nice building.

Please Pray for the future of our Parish.

Hank

Asuntos de Mantenimiento

Muchas gracias a Jim Munly, Art Atchison, John & Anita Bender y Marcus Orta por ayudar a eliminar los últimos artículos restantes del edificio de la escuela secundaria antes de que comience la demolición. Esa demolición debería estar en marcha mientras lees esto.

No te agrada devolver los botes de refrescos y botellas de agua vacías a la tienda, bueno, ya no tienes que hacerlo. Solo tráelas los miércoles o jueves entre las 9:00 a.m. y 3:00 pm y déjalos dentro del Edificio de Administración cercas a la puerta. Marcos Orta los devolverá y donará el dinero al fondo de mantenimiento. Todo lo que pedimos es tanto como sea posible para que separe las latas de las botellas y las coloque en una bolsa de basura de plástico. Solo piénselo, ya no tendrá que pararse en la botella esperando a que las máquinas tomen sus botellas. Yippee!

La vieja chimenea con fugas en el lado norte del edificio de la Administración se derrumbó este último jueves. Es necesario quitar esta chimenea para que podamos pintar el exterior del edificio.

La remoción de la chimenea, la pintura del edificio, el estacionamiento reparado y el techo inclinado del techo en el lado norte del edificio son los últimos cuatro elementos que se presupuestaron para este edificio. El Comité de Construcción dijo que cuando se tomó la decisión de mantener y renovar este edificio, querían que fuera agradable. Cuando se completen estos últimos elementos, tendremos un edificio MUY, MUY bonito.

Por favor, oren por el futuro de nuestra parroquia.

Hank

BUILDING COMMITTEE UPDATE

The Building Committee has for several months been meeting with CB/Two Architects regarding the future building needs of Sacred Heart Parish. After much discussion the Building Committee has almost come to an agreement of two plans that will be brought before the Parishioners.

Plan I will retrofit the gym into a Parish Center (with kitchen) and Plan II would be a new building closer to the church as the Parish Center. (with kitchen).

After the two plans are finalized they will be brought before the Parishioners (via Parish meetings) for their comments, concerns and monetary commitments.

Please keep the Building Committee in your prayers.

ACTUALIZACIÓN DEL COMITE DE EDIFICIOS

El Comité de Edificios ha estado durante varios meses reuniéndose con CB / Two Architects sobre las futuras necesidades de construcción de la Parroquia del Sagrado Corazón. Después de mucha discusión, el Comité casi ha llegado a un acuerdo de dos planes que se presentarán ante los feligreses.

Plan I, el adaptar el gimnasio en un Centro Parroquial (con cocina) y Plan II sería un nuevo edificio más cercano a la iglesia como el Centro Parroquial. (Con cocina).

Después de que se finalicen los dos planes, se presentarán ante los feligreses (a través de las reuniones parroquiales) para sus comentarios, inquietudes y compromisos monetarios.

Por favor, mantenga el Comité de Construcción en sus oraciones.
